“Pioneering Our Goals”

To Whom It May Concern,

On Saturday, April 17th, 2010 the Polk Elementary School Parent Teacher Association will be sponsoring our fourth annual *Polk Pioneers Car Show & Carnival*. This is an event for all members of the family, with many of the greatest vehicles from the valley, food booths, talent show, vendor booths, and fun and games for kids and parents.

All monies raised at this event will go to the school's improvement fund. Our goals include purchasing equipment such as computers and video equipment for the classrooms, purchasing equipment and funding extra-curricular groups (i.e. sports and band), providing incentives for the students to meet educational goals, and helping support field trips that encourage the students.

Our dedication has been expressed in the form of Polk Elementary leading Central Unified School District in attendance and exceeding our state testing goals, but to reach all our goals we need your help. Our organization is a non-profit and tax exempt group whose sole purpose is to help in supporting the activities our children will be participating in during the school year. It is essential that we all remember the most important thing in making donations to our group is that we as parents are helping to provide our children with the proper tools to learn.

If you or your business would like to help Polk Elementary reach our goal we can use donations of items and/or services including:

- Items for silent auction (i.e. sports memorabilia, gift certificates, electronics, etc...)
- Items for sale (i.e. water, pre-packaged food items, gift items, etc...)
- Services (i.e. advertising, shirt printing, entertainment, etc...)

We appreciate you taking the time to read this letter and thank you in advance for any support you can provide. Please feel free to contact us immediately at the numbers listed below.

Sincerely,

Lori Bier, Ben Kiser, & Stacey Pittman
